The purpose of massage is to maintain good health and physical condition. I understand that LMT's may not diagnose or treat disease and that massage should not take the place of a doctor's care. Either the LMT or the patient may terminate the session should either be experiencing discomfort during the massage. Discomfort may include (but is not limited to) physical pain, sexually suggestive behavior or personal remarks or requests. Payment is due at the time of the appointment and 24 hournotice is required to avoid a no show fee / payment for a missed session. My initials signify that I understand and agree to abide by these policies and procedures.
